**ROLE AND RESPONSIBILITIES**

The Audio/General Technician operates the audio console for live mixing of sound during performances and works across multiple technical departments as needed during non-performance times. Daily or weekly assignments to specific shows and departments will be made by the Production Manager and/or Technical Director depending on each department's needs.

**Essential Duties:**

- Work across multiple technical departments each day as assigned, most often with Props, Lighting, Scenic, Sound.
- Participate in all load-ins and strikes.
- Perform show crew duties for multiple shows during the season, most often as Sound Engineer (A1), or as running crew. Specific shows will be assigned once the needs of each production are assessed.

**QUALIFICATIONS AND EDUCATION REQUIREMENTS**

**Minimum Physical Requirements:**

- This position requires the employee to hear, see, move freely, climb stairs and ladders, work safely at heights, and lift 50lbs or more.

**Minimum industry specific qualifications:**

- Experience working with basic power tools and hand tools.
- Experience hanging and focusing lighting instruments.
- Experience assisting with prop making and sourcing.
- Knowledge of, and experience with, audio consoles and audio mixing.
- Flexible to work across multiple departments as assigned.
- Willing to learn new skills.
- Use safe practices in the workplace and keep workspaces clean and organized.
- Strong organizational skills.

**Minimum education/experience requirements:**

- 1 year of professional experience in technical theatre preferred.
- It is preferable that all applicants have a valid driver's license.

*The Winnepesaukee Playhouse is dedicated to inclusive hiring and the principle that art thrives in a diverse environment. All qualified applicants will receive consideration for employment. The Playhouse does not discriminate based on race, color, religion, sex, gender identity or expression, sexuality, national origin, disability, or age.*
